RE: **Assistance with the Recruitment of Highly Qualified Educators**

The New Mexico Public Education Department is proud to inform you that your district has been chosen to receive a membership to Teachers-Teachers.com to help in the recruitment of highly qualified educators. Teachers-Teachers.com is education's most powerful recruitment resource, connecting school districts with its database of over 600,000 teaching candidates. School districts can access the website at www.teachers-teachers.com.

Teachers-Teachers.com is a user-friendly website that provides an easy way for you to market your vacancies to a national audience of qualified job seekers. The website provides multiple ways for you to connect with candidates including job postings, resume searches, and mass emails. In addition, your membership to Teachers-Teachers.com will include the assistance of a recruitment consultant who will provide personalized technical assistance throughout your membership.

The New Mexico Public Education Department is offering this membership to Teachers-Teachers.com at no charge to your district. This membership will begin on June 1, 2009 and end on May 31, 2010. If you would like to accept this offer, please contact Gretchen Bull Switzer at gbswitzer@teachers-teachers.com or 877-812-4071 ext. 86.

If you do not contact Gretchen by **June 8, 2009**, we will assume you are not interested in utilizing this resource and will offer your membership to another district.

If you have any questions concerning the involvement of the New Mexico Public Education Department, please contact Dr. Mary Rose Cde Baca, Assistant Secretary of Educator Quality maryrose.cdebaca@state.nm.us or 505-827-3581.
