Division of Educator Quality and Leadership
South Carolina Department of Education

DATE: April

RE: Free Job Search Resource for South Carolina Teaching Positions

Recruiting and retaining great teachers for classrooms is critical to the future success of our schools and the children they serve. We have so much to offer in South Carolina and are looking for some talented and energetic teachers to join our team. Whether the teacher is new and just beginning a career or is a veteran educator looking for new challenges we will find a great fit for him or her.

In order to meet the demands of recruiting top-notch teachers to South Carolina, we will continue our relationship with Teachers-Teachers.com. Teachers-Teachers gives us the capability to reach many more prospective teachers by using a powerful web-based recruitment system. This system is designed to help those charged with recruiting personnel meet the challenges of placing the most qualified education professionals in South Carolina schools. Learn more at www.teachers-teachers.com/southcarolina.

South Carolina school recruiters use Teachers-Teachers to post their available positions and to search the database of registered education personnel. This service is provided at no cost to candidates seeking jobs as teachers, administrators, or related service personnel. It provides an effective way for educators seeking employment to put themselves in the unique situation of having all the school systems throughout the state competing for their services.
